

# Research project idea

Please fill in as much as possible to start your own reflection on a good idea for a research project. Mail to Lone (malmborg@itu.dk) and Lisbeth (libr@itu.dk) not later than 16/5, 12:00 to help us identify possible funding programs.

<b>Your name(s)</b>	
1. Project idea's area(s) of research	
2. Research question to explore	
3. Timing – when should project start? And what is the duration?	
4. Collaboration partners at ITU / outside ITU	
5. Match with ITU <a href="#">strategy</a>	
6. Funder / call, deadline (if known)	
7. ITUs role in the consortium - 8. Coordinator or Partner?	
9. Re-submission / rework of a previous application <sup>1</sup>	
10. Your estimate of resources for compiling the application: - own time - time from ITU colleagues - RS or external consultant	
11. Budget (if known): - PhD's, Postdocs, senior staff - Other: Travel, conferences	
12. Other	

---

<sup>1</sup> If yes, please bring the evaluation (feedback letter, ESR etc.) for the workshop 7/6.
